# CREATE & CUSTOMIZE YOUR BOARD WITH US!

## *Interchangeable Backer*

Remain flexible and adaptable when standards or patient room programs change. Simply switch out the affordable custom inserts!

## *Tempered Glass*

Meet your specific needs with custom designs and a durable, cleanable surface that won't allow "ghosting" damage to the boards.

## *Huddle Board*

For internal use among staff, simple yet sophisticated-looking huddle boards are designed to enhance branding and offer organizational support.

"After years of trying to find solutions for an adaptable patient care board, Skyline Art created a product that meets our needs and provides complete flexibility for years to come."
